INTRODUCTION

This Information Transparency is communicated to public in relation to a planned transaction to be conducted by the Company in order to make an announcement to public after there is a decision or material information or fact which may possibly affect the value of the company's securities or an investor's investment decision, in this case in relation to the planned transaction, namely provision of security by the Company on the facility agreement between BAL on the one hand, in which BAL is the Company's indirect participation entity through GM as borrower, and ICICI as lender and SESB as guarantor (the Company's ultimate shareholder) on the other hand.

In relation to the aforementioned matters, in accordance with the applicable laws and regulations, particularly BAPEPAM-LK Regulation No. IX.E.1 and BAPEPAM-LK Regulation No. IX.E.2, the Board of Directors of the Company announces this Information Transparency with the purpose of providing more complete information and description to the Shareholders of the Company regarding the planned transaction to be conducted by the Company.

INFORMATION REGARDING MATERIAL AND AFFILIATED TRANSACTIONS

BAL, 95% owned by the Company through GM, has two contracts with MBP and ADARO. These contracts have validity up to June 2018 and October 2022, respectively. In this case, in order that BAL can meet its obligations based on the contracts, BAL needs funding facility from banks. This bank funding facility shall be used particularly for dry docking cost and day-to-day operating cost.

The facility agreement between BAL, which is the Company's indirect participation entity through GM, ICICI as lender and SESB as guarantor (the Company's ultimate shareholder), namely loan in the amount of USD 20 Million, has terms, provisions and security which must be complied with. Based on the facility agreement, the Company shall provide security in the form of Duta 7 ship. Duta 7 ship is a ship belonging to the Company having the Type of Accommodation Barge, Indonesian-flagged, made in 2004, assembled in China with the dimension of: 86.40 Meter x 30.0 Meter x 6.10 Meter. The fair price of Duta 7 ship as of March 31, 2016 is USD 13.39 Million.

Overall, funding from ICICI is needed and useful for the Company Group with interest on loan of 3-Months USD LIBOR + 3% (approximately equal to 3.7%) per annum.

A. Transaction Date

On June 30, 2016, USD 20,000,000 Term Loan Facility Agreement between BAL (Debtor), SESB (Guarantor) and ICICI Bank Limited Singapore Branch (Initial Creditor), ICICI Bank Limited Singapore Branch (Hedge Bank), ICICI Bank Singapore Branch (Agent) was signed. It was followed by the signing of Deed of Fiduciary Security on Insurance Claim Proceeds before Notary Fathiah Helmi in Jakarta on July 21, 2016 for the Company and Deed of Fiduciary Security on Bills along with Deed of Fiduciary Security on Insurance Claim Proceeds before Notary Gaby Siantori in Banjarmasin on July 22, 2016 for BAL.

The signing did not put into effect the transaction of lending and borrowing between ICICI and BAL.

B. Type of Material Information or Fact

It is stated in BAPEPAM-LK Regulation No. IX.E.2 point 3 letter a number 3) that a Company receiving loan directly from a domestic or overseas bank, venture capital company, financing company, or infrastructure financing company shall be exempted from complying with the provisions on Material Transactions.

The planned transaction of lending and borrowing between ICICI and BAL, as well as the Company which also provides security, meets the criteria of exempted Material Transactions. As a Subsidiary the financial statement of which is consolidated with the Company's, BAL is also obligated to comply with the provision on information transparency to FSA and Public.

Because GM is a subsidiary of the Company with 100% of its shares owned by the Company and GM also owns 95% shares of BAL, and the Company also provides security in the facility agreement between ICICI and BAL, the security provision transaction is an affiliated transaction, as provided for in BAPEPAM-LK Regulation Number IX.E.1.

Under Regulation Number IX.E.1. point 2 letter b number 6), the security provision transaction is an exempted affiliated transaction.

C. Description of Material Information or Fact

Form of Planned Transaction

The Company, as indirect owner of BAL, also provides security to ICICI in order to comply with the security requirement under the facility agreement in the form of the Company's asset, namely Duta 7 ship. Under the facility agreement, BAL, which is an indirect participation entity of the Company through GM, shall receive loan from ICICI in the amount of USD 20 Million. The fund shall subsequently be used by the Company for the repayment of the Company's vendor notes to SMS.

Business Consideration Used by the Company's Management

The provision of security on facility agreement by the Company is a step taken by the Company considering that the loan from ICICI is needed by and useful to the Company Group as a whole, with interest cost on loan of 3-Months USD LIBOR + 3% (approximately equal to 3.7%) per annum. The USD 20 Million loan from ICICI to BAL shall subsequently be used by the Company for the repayment of vendor notes to SMS. The vendor notes bears interest of 8% for the first five years and 10% for the sixth and seventh years. The repayment of these vendor notes shall reduce the financial burden of the Company Group in the future.

Parties in the Planned Transaction

1. PT Rig Tenders Indonesia, Tbk ("The Company ")

Brief History

The Company was established in the context of Law on Foreign Capital Investment No. 1 year 1967 *jo.* Law No. 11 year 1970, by virtue of Deed of Notary Mrs. Darwani Sidi Bakaroesdin, *S.H.* No. 25 dated January 22, 1974 which was ratified by the Minister of Justice of the Republic of Indonesia in Decision Letter No. Y.A. 5/98/10 dated April 1, 1974 and published in State Gazette of the Republic of Indonesia No. 39, dated May 14, 1974, Supplement No. 187/1974. D. Impact of Incidence of Material Information or Fact

Through this transaction, the proceeds of which shall subsequently be used by the Company for the repayment of vendor notes, the Company may increase business profit and net profit because the interest rate under the facility agreement is lower compared to the vendor notes issued by SMS. In addition to that, this transaction shall facilitate business activities of the Company and its subsidiaries because there are several vessels which are already due for dry docking. With fast funding, potential loss due to damages can be prevented.

STATEMENT OF THE BOARD OF COMMISSIONERS AND BOARD OF DIRECTORS

This Information Transparency has been approved by the Board of Commissioners and Board of Directors of the Company. The Board of Directors of the Company is fully responsible for the correctness of all material information or fact contained in the Information Transparency and confirms that after conducting a thorough audit, there is no undisclosed material information or fact which causes the material information or fact as disclosed in Information Transparency to be incorrect or misleading. This transaction is not a transaction containing an element of conflict of interests.
